

MEASURE SG

Maintain. Invest. Protect.

*Measure SG is a March 3, 2020 ballot initiative that will raise the sales-tax rate in San Gabriel from 9.5% to 10.25% to help **maintain, invest** and **protect** vital City services.*

Measure SG will generate \$3 million in new revenue per year, allowing the City to:

Maintain public safety, police response, emergency 9-1-1 services, fire prevention and paramedic/ambulance services

Continue repairs and improvements to our streets, sidewalks and transportation infrastructure

Measure SG keeps tax dollars local, allowing the City of San Gabriel - rather than the State, the County or other regional agencies - to control the revenue.

Election day is March 3, 2020 • Visit MeasureSG.com to learn more
